K.Puripatt (K.Kong) DS6

2

Profile

Data Scientist at MFEC

3

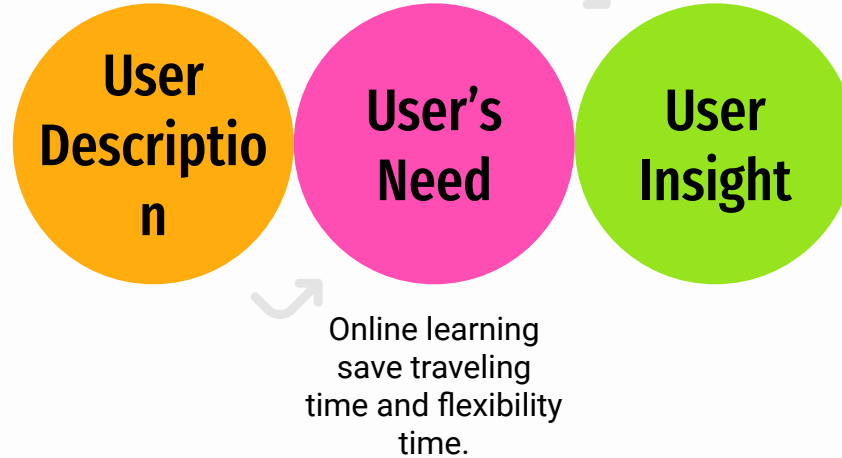

Life Style

Friendly, Challenge,

Define

Even though he apply data science skill in his job, he don't expert in theory detail. Then, he want to take the master degree of data scientist.

He like online learning more than in class learning.

Ideate

Video recording in
class learning

Flexible class
learning to
student

Lifelong master
degree learning

Prototype

**VR Student
& recording**

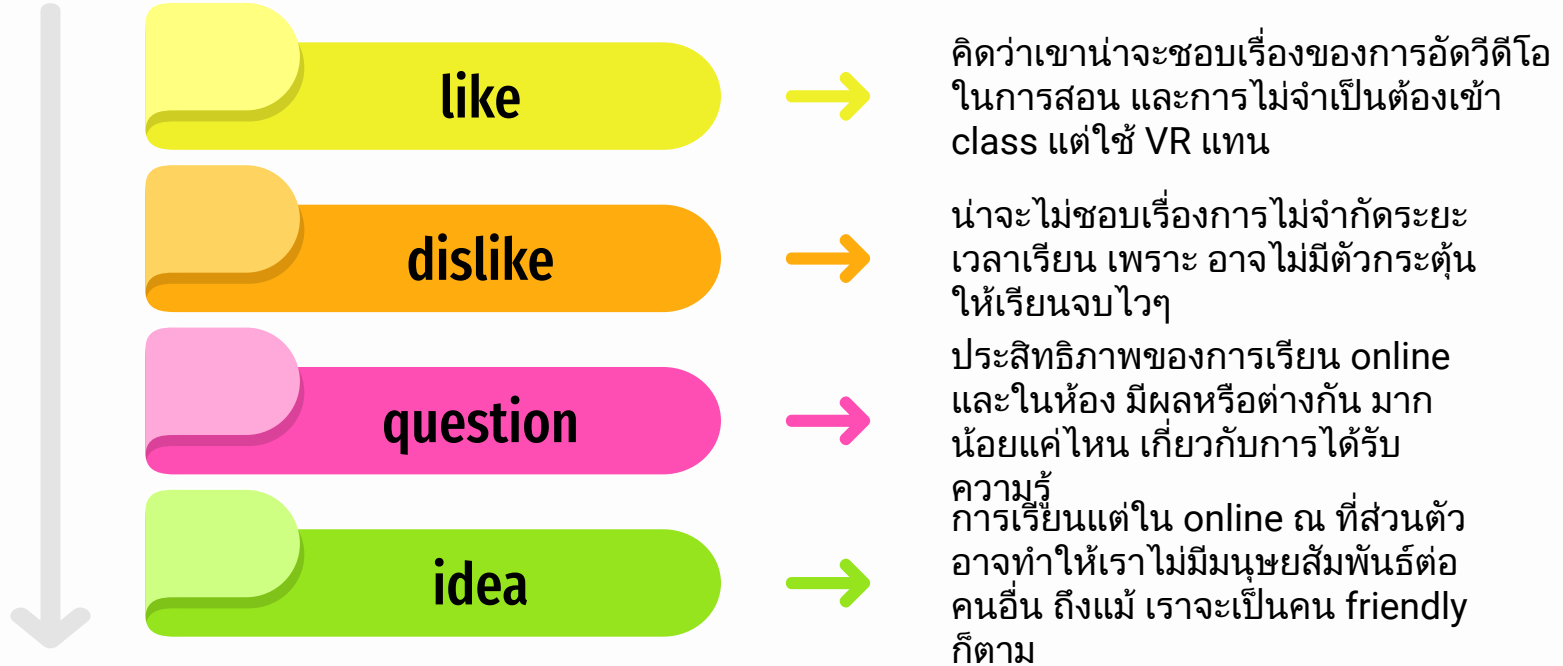

Lifelong Learning

Lifelong learning

Unlimited time learning for
get degree
